It's been a while since returning to school, so I'm sure you're all thinking this is a drag.

文化祭
Cultural Festival

After the morning homework is all checked

We're finished for today after making a rough plan for the cultural festival for the second semester

Oh, right. Tell this to the ones who skipped school today.

They'll get extra homework and we'll decide about cultural festival matters by ourselves.

So first things first, let's move to the gym.

Ichinose-kun!

1－B

Is Ayano-san absent today?

Hm?

How should I know?

Strange. Yesterday, I'm certain she sounded like she's going to school today...

You get along well, huh.

Not as close as you two are, though!

Ouhh!

What--?! Fight--?! Divorce?! Did you break up--?!

Who rejected whom--?!

What?! No way!! Something really happened?! That's why Ayano-san is absent today?!

Girls!! Have you heard about this?

Ichinose-kun isn't dating anyone right now! This is your chance!!

Like, every girl in our school are waiting for this, right?!

Whaa...!

This is your big chance before the cultural festival!! Oh, I bet99 it's still summer break!

Oh, wait. I guess this is rude to Ayano-san.

Boys, now's your chance, too-! The childhood friends couple broke up!

Broke

Ayano

Ayano!

Who's

You bastard! Knock it off...!

Who the h-hell is Ayano, anyway?

Ex-cuse me...!

Huh? Was I wrong? So you're really just childhood friends?

But you didn't answer back, so-

I'm not certain.

A-Ayano.

You're late.

Ugh...

Thanks to that's my joke...

Listen, you knocking it off already. Do you have something against us?

I've been meaning to ask you since we transferred here.

Do you seriously think your jokes are funny?

Has it not crossed your mind that some-one might get hurt by your insensitive actions?

Yuri

I think they're funny.

I mean, didn't you say something similar when you introduced yourselves?

So why are you taking my jokes seriously now?

Do something really happen, I wonder?

Asa...

Taichi

Is confessing for a girlfriend.

Is someone else already there.

Sigh.

Why do humans tend to bully others when they can't even get along with their own species?

What foolish, arrogant, sad creatures.

Oh.

You know, I was trying to lighten up this glo-um weather with my joke.

But to think I was treated instead. I'm hurt.

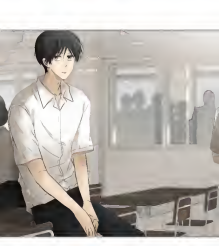
Hey.

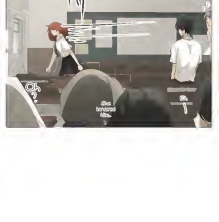
IT TOOK A LITTLE LONGER

FOR THIS INDESCRIBABLE KUCKUS TO SPREAD AT SCHOOL.

55: School Day (2)

Don't look back!
DIDN'T HE SAY HELL AND NO ME WITH ALL RE HAE? WHY IS HE HERE THEN?!
Huh
Let's go straight home as usual!
CRAP... NOW IT'S IMPOSSIBLE TO ASK IF I JUST MISUNDERSTOOD THE SITUATION...!
I REALLY WANTED TO ASK IF I JUST MISUNDERSTOOD IT BUT NOW IS EXACTLY NOT THE TIME FOR ASKING FOR PERMISSION IS JUST...!





EVEN THOUGH I RESOLVED MYSELF.
